

Whale Riding Weather (Paperback)

By Bryden MacDonald

Talon Books, Canada, Canada, 1994. Paperback. Condition: New. Language: English . Brand New Book. A love story in which a faded old queen finds his life slipping away from him along with his young lover, who meets a new, younger man. One day when I was sitting in a tiny little basement bar I noticed a man sitting alone at the bar--an elegant old queen with snowy white hair perfectly sculpted around his translucent face. His eyes could have been any colour--they were empty. He remained very still, holding a brandy snifter with great reverence while a steady stream of tears flowed down his cheeks. I suddenly found myself inventing his history, wondering what it must have been like for him growing up gay--maybe in a small fishing village on the east coast. Had he been ridiculed by his peers? Disowned by his parents? Did he run to a big city at too early an age? Cast of 3 men.
