

Cognitive Psychology for Dummies (Paperback)

By Peter J. Hills, Michael Pake

John Wiley Sons Inc, United States, 2016. Paperback. Condition: New. 1. Auflage. Language: English . Brand New Book. Demystify the core concepts of cognitive psychology Written specifically for psychology students and not other academics - Cognitive Psychology For Dummies is an accessible and entertaining introduction to the field. Unlike the dense and jargon-laden content found in most psychology textbooks, this practical guide provides readers with easy-to-understand explanations of the fundamental elements of cognitive psychology so that they are able obtain a firm grasp of the material. Cognitive Psychology For Dummies follows the structure of a typical university course, which makes it the perfect supplement for students in need of a clear and enjoyable overview of the topic. The complexities of a field that explores internal mental processes including the study of how people perceive, remember, think, speak, and solve problems can be overwhelming for first-year psychology students. This practical resource cuts through the academic-speak to provide a clear understanding of the most important elements of cognitive psychology * Obtain a practical understanding of the core concepts of cognitive psychology * Supplement required course reading with clear and easy-to-understand overviews * Gain confidence in your ability to apply your knowledge of...
