

## Neo-Something Doom Puzzle (Paperback)

By Matt Payne

New Falcon Publications,U.S., United States, 2017. Paperback. Condition: New. Language: English . Brand New Book. Neo-Something Doom Puzzle is a playfully evil and sometimes violent book. It tells the tales of several young hipsters and losers struggling for stability in a carnivorous universe. Neuroses and bad luck weave together the ambitious journeys of the multiple protagonists. Hopes and dreams are taken apart and perversely re-arranged in a universe full of manipulative bosses, occult horror, awkward romance, perverse desires, morbid absurdity, living symbolism, and adventure. Fast-paced prose and abstract story-structure add layers of meaning to an experiment in narrative form. Sam is a naive and neurotic young man who is bullied by his family. He has a ghost-limb and a dream to create video games. When he gets an internship at a video game studio his bosses take advantage of his lack of experience, using him to spy on each other. He learns they are in over their heads in occult pursuits, which becomes bad news for Sam. Meanwhile Sam's deranged family won't let him be. Ted is a drug-damaged introvert who tries to rescue old friends from a haunted mountain during a skydiving misadventure. He discovers a world...
