So you've never played a musical instrument in your life, you can't read music and you love the sound of the saxophone. Well then you are just like I was a year ago. But then Mark Archer comes along and well. Life changes in a glorious way. His passion and enthusiasm for this beautiful instrument is plain to see in this fabulously constructed book. I soon found that my day wasn't complete without my daily liaison with my dream machine and couldn't wait to move on to the next steps in the book. And before I knew it, after only nine months, I was standing on stage with a group of other Archer Inspired students playing that great pop sax classic Baker Street. Wow, could life get any better! Pure unadulterated FUN!! So if you want to learn to play this wonderful instrument, have fun and lay down some firm foundations for your future enjoyment. Get the book! - Dave Inman - Osteopath.
