## THE GYPSY THORN: AN EVENING BOWER PREQUEL (PAPERBACK)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.When Atlantis fell into the sea, a single creature survived--a scarlet phoenix. She escaped with ancient man s historical record, The Great Book of Forgetting. This book recorded mankind s every legend and prophecy. Only the Archangel of Death understood man s survival depended on the fulfillment of one particular prophecy, that of the scarlet phoenix. Rhea is the scarlet phoenix, transmuted into human form with wings of fire. She hides The Great Book from those seeking to steal it and prevent the prophecy. The Archangel befriends and protects her as he watches her traverse time and mold history. She is the proverbial rose that blooms in a future garden. Jean-Louis Riviere is an aristocrat who became a vampire during the American Revolution. He is haunted by an ill wind whispering strange and incredible possibilities. His family ties will lure those who wish to destroy the prophecy; however, the Archangel also knows his blood is all that will save the rose and secure the future. Drahomira is a gypsy, a bastard princess, and a vampire. The Archangel of Death chose her to protect the phoenix because she is an irreverent killer but loyal to family. She will journey across continents and be the catalyst that brings Rhea and Jean-Louis together. First, she must leave her people, her throne, and her lover, cross a continent for vengeance, die, and be reborn. Only then will she discover that she is the rose s legendary thorn in the Evening Bower.
