Xulon Press, United States, 2007. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Pennsylvania Voices On Healing: Cancer Survival Through Prayer Painting and Writing Art, Biblical Discussions, Prayer Journal By Patricia J. Pasda and Maryann Pasda DiEdwardo Christian fiction writers. A fiction novella presents healing endeavors. Our story combines a tribute and a story as well. Rooted in our love for prayer and horses, novella exists as a short writing rooted in love. We create a novel for all ages but particularly for the youth of a global society where the search for love is the greatest quest of all. Land knows no boundaries. Dirt, sand, piles of moss exist and float as life forces of the planet earth. On a ride through Journey, we found our hearts. A work of fiction, a collection of beautiful art, a writing journal, and a testimonial to the Goodness and Healing of Jesus, we show the love of God through characters who exemplify strengths found through the Holy Spirit. In 2000, when their Father s illness forced his relocation to a nursing home, Patti and Maryann turned to prayer. Then, Patti was diagnosed with cancer. I survive the cancer treatments through prayer, painting and writing. We are Christian authors who praise Our Shepherd Jesus for the gifts of writing and painting. Thank you, Jesus who gifted Patti Pasda with the survival of cancer to aid others through prayer, painting and writing. We affirm that our story is the creation of God s wisdom.
