THE POWER OF ISRAEL IN THE UNITED STATES

Clarity Press. Paperback. Book Condition: new. BRAND NEW, The Power of Israel in the United States, James F. Petras, This book is a chapter-by-chapter analysis documenting the power of Israel via the pro-Zionist lobby on US Middle East policy. It explores the extraordinary extent of US political, economic, military and diplomatic support for Israel along with the means whereby such support is generated and consolidated. Contending that Zionist power in the US ensured unconditional backing for Israeli colonization of Palestine and its massive uprooting of Palestinians, it views the interests of Israel rather than those of Big Oil as the primary cause of the disastrous US wars against Iraq and threats of war against Iran and Syria.
