The Western Town: A Theory of Aggregation

By Jayne Kelley

Hatje Cantz. Hardcover. Condition: New. 176 pages. Dimensions: 12.7in. x 9.6in. x 0.6in. The Western town of roughly 1860-90 exists in an ephemeral moment in American history. Always being realized but never really there, these towns vanished entirely from the prairie by the end of the nineteenth century. Yet even today everyone has visited these towns, since they survive in their abstract and distilled form through the plot-generating sets of Western movies. The Western Town: A Theory of Aggregation retells the story of 22 Western towns architecturally, from the scale of the lace curtain or sun-bleached wood coffin to the vast, empty desert. The book includes detailed maps of towns from the following films, among others: A Fistful of Dollars (1964), Buchanan Rides Alone (1958), For a Few Dollars More (1965), Fort Apache (1948), Hang Em High (1968), High Noon (1952), High Plains Drifter (1973), Major Dundee (1965), McCabe and Mrs. Miller (1971), Ride the High Country (1962), Rio Bravo (1959), Rio Grande (1950), Stagecoach (1939), The Alamo (1960) and The Wild Bunch (1969). This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Hardcover.

Reviews

An incredibly great book with perfect and lucid answers. Better than never, though i am quite late in start reading this one. You will not sense monotony at whenever you want of the time (that's what catalogues are for relating to if you question me).

-- **Nannie Lindgren Jr.**

The book is great and fantastic. It is probably the most remarkable pdf i have got read through. You can expect to like the way the article writer compose this ebook.
