

## The Relationship of Parental Presence and Family Structure on Attachment and Depression Propensities for Adult African-American Men

By Dr Michelle Lorraine Tyrus Phd

Createspace, United States, 2015. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Some studies have found that African-American men reared in single-parent households headed by a mother and with little or no paternal presence, may suffer from a variety of mental health problems as adults, which can be linked to higher rates of incarceration. This study s research problem set out to determine whether there was a connection between paternal presence, attachment style, and depression propensities among African-American men. The theoretical framework for this study was Bowlby s attachment theory. The purpose of this quantitative study was to examine whether an individual s attachment style mediates the relationship between depression propensity and paternal presence.

### Reviews

*This book is definitely not effortless to start on looking at but really exciting to see. It really is simplistic but surprises from the 50 % from the pdf. I am just effortlessly can get a delight of looking at a published book.*
