Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Aram and Israel: Or the Aramaeans in Syria and Mesopotamia The following pages purport only to give a sketch of the his tory of those Aramaean groups, which are of interest to the student of the Old Testament. I have endeavored to make my account readable and yet thoroughly scientific. The book offers no new and astonishing revelations, but I hope that here and there scholars may find a modest wayside ?ower worth the picking. The original sources are constantly cited. The secondary sources, so far as they were of value to me, or may be to the reader, are also continually referred to. The inclusion of numerous references in the text has made many abbrevi ations necessary and has caused the omission of the names of authors of magazine articles quoted. Only those versed in Oriental studies will realize how much we owe to men like Delitzsch, Hommel, Johns, Kittel, Lidzbarski, Meyer, Muller, Sachau, Schifler, Streck, Winckler and others, whose researches have clarified the history of the ancient east and many obscure passages in the inscriptions. I have devoted special attention to geographical matters, for geography forms the basis of exact historical study. The transcription of modern place names generally follows that of Richard Kiepert.
