

Bruce Swedien: In the Studio with Michael Jackson (Paperback)

Filesize: 7.84 MB

Reviews

I just started off reading this article publication. This really is for all who statte there had not been a really worth looking at. You will not feel monotony at anytime of your own time (that's what catalogs are for about should you ask me).

(Prof. Jeremie Kozey)

BRUCE SWEDIEN: IN THE STUDIO WITH MICHAEL JACKSON (PAPERBACK)**DOWNLOAD**

Hal Leonard Corporation, United States, 2009. Paperback. Condition: New. Language: English . Brand New Book. (Book). No one was closer to Michael Jackson at the height of his creative powers than Bruce Swedien, the five-time Grammy winner who, with Jackson and producer Quincy Jones, formed the trio responsible for the sound of Jackson's records records that topped the charts and shook the world. Friend, co-creator, and colleague, Bruce Swedien was a seasoned recording engineer plucked from a job at legendary Universal Audio in Chicago when he began working with Michael Jackson and Quincy Jones on the soundtrack to *The Wiz*, and he was the master technician who gave the records their sound as the trio progressed to Jackson's greatest triumphs, *Off the Wall* and the iconic, history-making *Thriller*, which revolutionized music and video and fixed Jackson in culture as the King of Pop. *In the Studio with Michael Jackson* is the chronicle of those times, when everything was about the music, the magic, and the amazing talent of a man who changed the face of pop music and culture forever. In his laid-back style, Bruce Swedien offers anecdotes about being part of Quincy Jones extended family and reveals the technical details of creating Michael Jackson's biggest-selling albums, as well as *Bad*, *Dangerous*, and *HIStory* . Including over 100 photos, *In the Studio with Michael Jackson* provides an insider's look that will thrill anyone interested in the nuts and bolts of hit making and the history of some of America's most influential music.
