Createspace, United States, 2010. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Allen Summers and Valera Ainsworth are introducing their new collaboration of a science fiction story about one man's quest of revenge against a religion that has been corrupted by an evil from another world. Blood Warrior is for mature audiences with sexual overtones throughout and the language is not suited for a younger audience. Bottom line, this is a very heart wrenching and adrenalin stimulated story that will have readers wanting more. Blood Warrior was inspired by Allen Summers quest concerning the atrocities of different religions throughout history. The timeline of this first book of the series is the fifteenth century during the witch hunts. Allen's tale adds a new twist to that era with a cast of memorable characters and a love story. One reader said the following about Blood Warrior: Holy CRAP AWESOME TOTALLY AWESOME damn I sat at the computer for over an hour reading just couldn't stop!!!!!!!!!!!!!!!!!!!!!!!!!!!!!! I love the concept and the story line. There are so many characters to work with and wonder about what their journeys are you could so make a series with this as the beginning or even take a step back and go into the blood warriors leaving their home planet this is so cool. After reading leaves you wanting more like maybe Marjory being an old soul that can now be reincarnated for Connor (ok so I'm a romantic at heart haha) but would be cool then they could fight together. could write a whole book about Connor's journey to reclaim his lost love. OK like I said am total romantic at heart. But, man this book is beyond goooood can't...
