

Synopsis of Spine Surgery (Paperback)

By Howard S. An, Kern Singh

Thieme Medical Publishers Inc, United States, 2016. Paperback. Condition: New. 3rd New edition. Language: English . Brand New Book. The textbook serves as a valuable educational resource for spine surgeons-in-training to gain understanding of a breadth of spinal disorders and their basic medical and surgical management. One of the strongest assets of this resource is the tremendous quality of its images and illustrations. -- World Neurosurgery This is an excellent, practical handbook with outlined information for thoracic and spine surgeons, and neurosurgeons, and physicians, fellows, and residents in these fields. As a matter of fact, I will suggest that it is a must-have resource. -- BIZINDIA The third edition of this concise, essential spine handbook expands on the previous edition, reflecting recent advances in the field. Written by highly renowned spine surgeons, the new edition is presented in full color with the addition of several hundred exquisitely crafted illustrations. Portable but comprehensive, this book offers a well-rounded perspective on surgical and nonsurgical management of spine-related conditions and disease in adult and pediatric patients. In the opening chapters, a solid clinical foundation is laid - covering anatomy, physical examination, imaging and diagnostic testing, biomechanics of the spine, and instrumentation. Clinical information is..
