Createspace Independent Publishing Platform, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.From the mouth of Mr. Crowley: My essential spirituality is made manifest by yet another publication, which stands as a testimony of my praeterhuman innocence. The book is called White Stains and is commonly quoted by my admirers as evidence of my addiction to every kind of unmentionable vice. Asses! It is, indeed, technically, an obscene book and yet the fact that I wrote it proves the purity of my heart and the mind in the most extraordinary fashion. The facts are as follows: In the course of my reading I had come across von Krafft-Ebing's Psychopathia Sexualis. The professor tries to prove that sexual aberrations are the result of disease. I did not agree. I thought that I was able to understand the psychology involved; I thought that the acts were merely magical affirmations of perfectly intelligible points of view. I said to myself that I must confute the professor. I could only do this by employing the one form at my disposal: the artistic form. I therefore invented a poet who went wrong, who began with normal and innocent enthusiasms, and gradually developed various vices. He ends by being stricken with disease and madness, culminating in murder. In his poems he describes his downfall, always explaining the psychology of each act. The conclusions of the book might therefore be approved in any Sunday School and its metaphysics is orthodox from the point of view of the theologian. I wrote the book in absolute seriousness and in all innocence. It never occurred to me that a demonstration of the terrible results of misguided passion might be mistaken for pornography. Indeed, now that I...
