Language: English Brand New Book ***** Print on Demand *****.Excerpt from Elements of Civil Government The plan of this book is that of a gradual development from the known to the unknown, from the near to the distant, from the local to the general, from the concrete to the abstract. The plan is designed, furthermore, to tell only what cannot readily be observed, the purpose being to stimulate observation and inquiry. Similarly, again, in regard to taxation. These two topics, especially, are regarded as of fundamental importance, and should be insisted upon and developed with the utmost care, patience, and perseverance. About...
