Bhakti Yoga Pilgrimage: What Patanjali and Buddha Did Not Teach

By Das, Sankirtan

Kaveri Book Service, New Delhi, 2009. Hard Bound. Book Condition: New. Is Patanjali's and Buddha's approach to spiritual life the answer for defusing the threat of extremism, which is engulfing our world? Is there an adequate life style to deal with the consequences of global meltdown? The pilgrimage described in this book is not concerned with moving from one geographical point to another but rather is intended to sanctify the consciousness and provide spiritual solutions to material problems. The teachings in this book originate from reliable sources and dismantle the protective walls that currently shield spiritual misleaders from being exposed. Bhakti Yoga Pilgrimage, initially intended for Chinese Yoga students, depicts an authentic process of personal transformation, pertinent for every caring person of the twenty-first century. It discloses a realistic process that takes you beyond mere gymnastics or formless mysticism to tangible spiritual growth. Applying the directions in this book will elevate your awareness and empower you to remain cool when the heat is on. Contents: Foreword; Preface; Introduction to Locations; Introduction to Teachings; 1. Embarking - The Origin of Yoga; 2. Evaluating - The Yoga Philosophy; 3. Riding On - The Chariot of the Mind; 4. Climbing - The Steps...

Reviews

Very good eBook and valuable one. Better than never, though I am quite late in starting reading this one. I am very easily could possibly get a satisfaction of reading through a created publication.

-- **Brianne Heidenreich**

This type of eBook is everything and got me to seeking in advance plus more. It was written really completely and helpful. You won't feel monotony at any moment of your respective time (that's what catalogues are for about should you request me).
