# Cracking Into Computers: An Attempt to Hack the Infinity (Paperback)

By Priyanshu Goyal

Ebooks2go, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Cracking Into Computers will be your defence as well as your sword against cyber threats. It is one of the first books of its kind to provide such a diversity in one compilation. If your job requires you to interact with computers, then this book is for you. It doesn t matter you are a tech geek or a Doctor, a Lawyer or a Chartered Accountant or in any other profession, cyber security is important for all because it s about protecting yourself on the internet or protecting your online information, which includes everything from your personal e-mails to login credential of your bank account. Also, this book contains some tricks and tutorials which will help you in increasing your efficiency at work and will enhance your operating knowledge which will give you an edge over others. This book is different because it explains everything in the non-technical language and from the base level. Exhaustive use of images in the book will help you to understand tutorials in an easy way. In this book you get to know: About various types of amazing malware like...
