

The Jewish Wardrobe: From the Collection of the Israel Museum, Jerusalem (Hardback)

By Noam Bar am-Ben Yossef

Five Continents Editions, Italy, 2012. Hardback. Condition: New. Language: English . Brand New Book. Drawing on the Israel Museum s extensive collection of Jewish dress, the largest of its kind worldwide and dating from the late nineteenth century to the present, this colourful volume explores Jewish dress and its fashions, history and development in Jewish communities across the globe, in particular those established for centuries in the Middle East, North Africa and East Europe. It makes a special point of analysing the interaction of Jewish costume with that of surrounding cultures and its consequent development. Written for a broad audience, the book addresses specific questions like the impact of religious requirements in matters of dress and appearance, such as the need for married women to cover their hair and the myriad forms of head covering and decoration that this stricture has given rise to. An entire section is dedicated to the different forms of dress and jewelry worn by brides and grooms throughout Jewish communities on the day of their marriage and related customs such as the decorative painting of the bride with henna. Lavish images of specific garments, accompanied by detailed descriptions, are juxtaposed with rare contextual photographs from...

Reviews

This book will be worth getting. Better then never, though i am quite late in start reading this one. Its been written in an extremely basic way which is only right after i finished reading this book through which actually altered me, alter the way i believe.

-- **Mr. Enrico Lesch**

Good e book and valuable one. Better then never, though i am quite late in start reading this one. You are going to like how the article writer publish this publication.
