The most effective publication i at any time go through. This is certainly for all those who statte that there had not been a worthy of looking at. Its been printed in an extremely straightforward way which is merely soon after i finished reading this publication where basically changed me, change the way in my opinion.

Summary: "You think Ellen DeGeneres had it tough, hiding her homosexuality in the closet all those years until after she hit the big time in television? What about comics long out of the closet who have struggled in relative obscurity in large part because they are openly gay'. Many of their routines are available to a wider audience through a new compilation, A Funny Time to Be Gay, collected by Ed Karvoski Jr."--Tom Kuntz, THE NEW YORK TIMES.
