

The Story Commodore John Barry: Father of the American Navy (Classic Reprint)

Filesize: 5.15 MB

Reviews

This book is definitely worth acquiring. Yes, it is enjoy, still an amazing and interesting literature. Its been written in an remarkably basic way and is particularly simply soon after i finished reading through this pdf where actually changed me, affect the way in my opinion.
(Murray Marquardt)

THE STORY COMMODORE JOHN BARRY: FATHER OF THE AMERICAN NAVY (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Story Commodore John Barry: Father of the American Navy The American Navy by its achievements has won enduring fame and imperishable honor. The careers of many of its heroes have been narrated fully, and oft in fulsome terms. All Americans unite in these tributes of praise where justly due. John Barry has, aptly and justly, been called The Father of the American Navy. His early, constant and worthy services in defence of our country; his training many of those who became the foremost and most distinguished sons of the sea in our early naval annals makes the title one fitly bestowed. The Congress of his country having directed the erection in the Capital City of the Nation of a monument commemorative of the man and his deeds, this is a fitting time to present a brief record of his career and of his deeds during the Revolutionary War, which won the Independence of our Country, and also in the War with France, which maintained the integrity of the new Nation and the protection of its commerce. In both wars he bore a heroic part. At all times his services were useful and brilliant. Captain John Barry may justly be considered the Father of our Navy, wrote Mr. Dennie in The Portfolio, July 1813, in giving the first biographical sketch of this distinguished naval officer. The utility of whose services and the splendor of whose exploits entitle him to the foremost rank among our naval heroes. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books...
