SERMON BONES, VOL. 6 (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The following sermon outlines were written and delivered throughout 2008 in Michigan. The sermons represent some of Sam s earlier work around the time of his fourth year as a pastor and preacher. As such the outlines are leaner than earlier examples, yet fuller than his current work. This volume features outlines examining the Life of Moses, the nature of God, the biblical book of Titus, Godly Family Life, and other topics. These outlines are presented, as with previous volumes, with the hope they will be helpful for Pastors, Sunday School Teachers, Small Group Leaders, or anyone interested in sermons.
