This work is an enlightening quest into the perspectives of God toward all of human history, modern Christian culture, and every persons role in the scheme of creation and time itself. Over the course of this spiritual journey and thought provoking inquiry, many weighty questions posed by the everyday person and accomplished theologians alike are answered. This is a revelatory adventure into the deep things of the Almighty's all-encompassing paradigm concerning all things that exist, and humanity's unique link with Him. At some point in life, every soul ponders the question, What is the point to my existence? There is much in common between all stations of life regarding this fundamental cognition. The Power Cycle of Creation: A Will Driven Vehicle answers this question definitively and will cause the human existence and each individual life's purpose to be viewed in a very different light. Specifically, this work reveals the meaning and significance of the wheel within the wheel in Ezekiel's Inaugural Vision (Ezekiel Chapter 1) and why it matters to every person that draws breath. You are a temple for the Spirit of God! Join me in this exploration of long misunderstood objectives of the kingdom of God, and be enlightened in your perception of the cosmic elements cycling in the universe.
