Bonnier Books Ltd, United Kingdom, 2017. Paperback. Condition: New. Language: English . Brand New Book. Fatherhood just got real!! This book is the perfect gift for new dads and fathers-to-be. Full of removable photo cards for you to use and pose with in your pictures. These hilarious Dad Fails photo cards celebrate (and commiserate) the parenting milestones you want to laugh about, or cry about, or just simply forget; from the first time your baby smiles at you and the first time your baby vomits on you to you successfully changing a nappy (on your own)! Just choose and pull out the photo card you want and hold in the frame as you take a photo. If there isn't a card to suit your unique disaster or unique victory, you can customise the blank cards with a wipe-clean pen and then wipe the card clean to use it again. Do not use a permanent marker to write on the cards if you wish to reuse cards another time. Do not leave a baby unattended with these cards.
