## QUANTUM ENERGY AND MASS BALANCE

DOWNLOAD

Trafford Publishing, Canada, 2009. Paperback. Book Condition: New. 251 x 175 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.In his second book, Zoltan J Kiss brings his original research on the energy balance of relativity, published in 2007, to a revolutionary conclusion. He proves that the quantum energy impact of the Earth provides mankind with an energy surplus, a gift, for us to use. His book is exciting reading even for non physicists. The quantum energy based explanations grant the book a specific value. Reading the book you will be participating in discussions - among many others - on the quantum energy and mass balance of the atomic structure of elements, the magnet, the speed of light, the plasma, the nature of water and fire, and on electric, hydrocarbon and nuclear engines. The author s relativistic quantum approach is fascinating. Proofs have been provided through mathematics but also supplemented with practical examples. Zoltan J Kiss successfully achieves his aim. He shows that we have a potential new energy source to exploit. This is the quantum energy impact of the motion of the Earth.
