Every Day, He Taught God s Message Without Preaching a Word.He was their neighbor, their friend. And for over thirty years, Fred Rogers visited so quietly with the children of America that nobody dreamed he was a Presbyterian minister. Using puppets instead of a pulpit, this icon of children s television shared with America s youngsters the basic principles of the Christian faith forgiveness, kindness, compassion, respect and made those values real for his audience. In this poignant audio book, a longtime friend of Mister Rogers reveals how this extraordinary man touched her and her family through years of correspondence and takes us beyond the camera to discover the spiritual legacy of a man who, to paraphrase the words of St. Francis of Assisi, preached the gospel at all times and, when necessary, used words.
