

Fibroid During Pregnancy: Complications and Management in Pregnancy (Paperback)

By George Roberts

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This book dives deeper into my high-risk pregnancy journey and frightful delivery. I discuss my process for dissolving my fibroid tumors enough to avoid a forecasted hysterectomy and explore how my relationship with my body shifted after having my baby girl. Having fibroid tumors does not automatically mean you can t get pregnant and/or have a healthy and successful pregnancy. My story is proof of this. I was 41 years old when I became pregnant with my daughter. I discovered that I had a grapefruit sized fibroid tumor at the base of my uterus on my first visit to the doctor to confirm my pregnancy. The doctors were amazed that I was even pregnant given the size and location of my fibroids. I dug deep into my spiritual tool box to beat the odds of the dire predictions I received to have a healthy and successful pregnancy. After downloading this book, you will learn. Identify Fibroid Tumors Symptoms during pregnancy Management during pregnancy Treatment during pregnancy Home remedies during pregnancies Download your copy today! Reviews

Completely essential read publication. It is really basic but excitement in the fifty percent of the book. You will not really feel monotony at anytime of your respective time (that's what catalogues are for about in the event you ask me).

-- **Lexie Paucek PhD**

This is the finest ebook i have got read through till now. It really is full of wisdom and knowledge You wont sense monotony at anytime of the time (that's what catalogues are for relating to in the event you ask me).
