In the Light of the Garden is a novel about unearthed family secrets, the enchantment of past loves, and the indelible power of forgiveness. Inheriting her grandparents island estate on Florida s Gulf coast is a special kind of homecoming for thirty-one-year-old Charity Baxter. Raised by a narcissistic single mother, Charity s only sense of a loving home comes from childhood summers spent with Gramps and Grandma. But piercing her fondest memories is her sharpest grief--the death of her beloved grandmother, when Charity stopped believing in the magical healing power of the weeping willow that still casts a shadow on their property. Now that Charity has returned, she s full of longing and regret, until she befriends her neighbor Dalton Reynolds, who has come to Gaslamp Island carrying his own heartache. As other exiles arrive--a great uncle harboring secrets, a teenage runaway--Charity begins to reconsider what makes a family. When her own estranged mother shows up in crisis, Charity is challenged to search her heart for forgiveness. But forgiving herself may require a little magic from the last place she d expect to find it.
