

## Your Body: The Missing Manual

"The Missing Manual series shows the author's great sense of humor."  
—KATHY AUSTIN, CO-FOUNDER OF O'REILLY

### Book Review

This is the finest publication we have read through right up until now. Better than never, though I am quite late to start reading this one. It's been written in a remarkably easy way in fact it is only after I finished reading through this book that I basically altered me, affected the way I think.
