But he ll remember his last fifty minutes long after he s dead. As an investigator for Suffolk County Child Protective Services, Flynn has seen more than his share of misery, but nothing could prepare him for the nightmare inside the Shepards million-dollar Long Island home. In less than an hour, that nightmare will send him plunging into a frozen harbor--and awaken him to a reality even more terrifying. They ve nicknamed Flynn The Miracle Man because few have ever been resuscitated after being dead so long. But a determined homicide detective and a beautiful, inquisitive reporter have questions about what really happened at the Shepard house--and why the people around Flynn are suddenly being murdered. Flynn has questions of his own, especially when one of the victims dies while handing him a note: THIS IS ALL YOUR FAULT. Flynn has returned from the Midnight Road--and someone wants to send him back.
