

Faces of the Civil War Navies: An Album of Union and Confederate Sailors (Hardback)

Filesize: 3.6 MB

Reviews

This publication is indeed gripping and intriguing. It is actually written in basic terms and not difficult to understand. I am just pleased to explain how here is the greatest publication we have read through during my own lifestyle and could be the best pdf for at any time.

FACES OF THE CIVIL WAR NAVIES: AN ALBUM OF UNION AND CONFEDERATE SAILORS (HARDBACK)

JOHNS HOPKINS UNIVERSITY PRESS, United States, 2016. Hardback. Condition: New. Language: English . Brand New Book. During the American Civil War, more than one hundred thousand men fought on ships at sea or on one of America s great inland rivers. There were no large-scale fleet engagements, yet the navies, particularly the Union Navy, did much to define the character of the war and affect its length. The first hostile shots roared from rebel artillery at Charleston Harbor. Along the Mississippi River and other inland waterways across the South, Union gunboats were often the first to arrive in deadly enemy territory. In the Gulf of Mexico and along the Atlantic seaboard, blockaders in blue floated within earshot of gray garrisons that guarded vital ports. And on the open seas, rebel raiders wreaked havoc on civilian shipping. In *Faces of the Civil War Navies*, renowned researcher and Civil War photograph collector Ronald S. Coddington focuses his considerable skills on the Union and Confederate navies. Using identifiable cartes de visite of common sailors on both sides of the war, many of them never before published, Coddington uncovers the personal histories of each individual who looked into the eye of the primitive camera. These unique narratives are drawn from military and pension records, letters, diaries, period newspapers, and other primary sources. In addition to presenting the personal stories of seventy-seven intrepid volunteers, Coddington also focuses on the momentous naval events that ushered in an era of ironclad ships and other technical innovations. The fourth volume in Coddington s series on Civil War soldiers, this microhistory will appeal to anyone with an interest in the Civil War, social history, or photography. The narratives and photographs in *Faces of the Civil War Navies* shed new light on a lesser-known part of our American story. Taken...
