In this entertaining adventure, Stella, the spunkiest of the Angry Birds flock, takes center stage. When the jade egg from Matilda's powerful necklace goes missing, it's up to Stella and Bubbles to rescue it from the Bad Piggies' grasp! Red thinks the colorful duo is too young to handle the responsibility, but they are determined to prove him wrong. Disguised as pigs, they sneak into Pig City to retrieve the special egg. But soon the whole city is on high alert, and Stella and Bubbles must figure out a way to find the egg, steal it back, and escape the clutches of the pigs! Fun, colorful illustrations accompany this clever story about not letting grumpy naysayers like Red bring you down. Young readers will love this daring tale of bravery and wit!
