Dover Publications Inc., United States, 2003. Paperback. Condition: New. Language: English . Brand New Book. This classic of Christian devotional literature has brought understanding and comfort to millions for centuries. Both Protestants and Catholics -- as well as mystics and historians of religious thought -- have studied these meditations on the life and teachings of Jesus, finding in them a path to prayer and spiritual guidance. Written in a candid and conversational style, The Imitation of Christ discusses liberation from worldly inclinations, recollection as a preparation for prayer, the consolations of prayer, and the place of eucharistic communion in a devout life. With its simple, readable text, this translation will appeal to new readers as well as to those already familiar with this religious classic.
