

## Derek Boshier: Remake/Re-entry: Remake/Re-entry (Hardback)

By Paul Gorman, David Hockney

Thames Hudson Ltd, United Kingdom, 2015. Hardback. Condition: New. Language: English . Brand New Book. Taking as his subject icons of consumerism and American popular culture, Derek Boshier made his name in the 1960s as one of the key proponents of British Pop Art, along with contemporaries David Hockney, Peter Blake and Pauline Boty. Since then, his output has been exceptionally diverse, including collage, book design, set design and illustration, as well as photography, film and sculpture. Rethink/Re-entry traces Boshier's formidable career. Beginning with his rise to prominence in the early 1960s, it then follows his abandonment of painting in the 1970s and his experimentation with new modes of expression, such as collage and illustration, as exemplified by his iconic sleeve design for David Bowie's album Lodger and his drawings for CLASH 2nd Songbook. In this decade he formed the Artists Union with Bridget Riley and Robin Klassnik and produced politically inspired banner, poster and flyer designs, as well as curating public events such as the Smith/Novak Event. The chapters on the 1980s detail Boshier's return to painting. This move coincided with his departure to Texas to teach, where he adopted the iconic figure of the Texan cowboy...

### Reviews

*It is great and fantastic. Better than never, though I am quite late in starting to read this one. It's been written in an extremely simple way and is particularly only right after I finished reading this ebook where it actually changed me, affected the way I really believe.*

-- **Orin Blick**

*Merely no phrases to spell out. I actually have read through and I am certain that I will go back and study once again later on. You won't truly feel monotony at any time of your time (that's what catalogues are for about should you check with me).*

-- **Jaiden Konopelski**
