EXISTENCE CONSCIOUSNESS: A THEORY OF NATURALISTIC IDEALISM (PAPERBACK)

East Detroit Educational Press, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Existence and Consciousness presents us with a world without space, a world that consists only of information, consciousness, and time. It offers a theory of idealism from an existentialist perspective. Matter, energy, and space are viewed as holding on to no existence outside of their essence (i.e., their defining properties). This is what precludes them from objectively persisting in time. Only...

Reviews

Here is the best ebook we have read through right up until now. I could possibly comprehend every thing out of this written e pdf. Its been written in an remarkably easy way and is particularly only following i finished reading through this ebook by which in fact changed me, change the way i really believe.

-- **Etha Pollich**

This is actually the best book i actually have go through right up until now. It generally will not price an excessive amount of. I discovered this book from my dad and i suggested this book to understand.
