HarperCollins Publishers Inc, United States, 2018. Hardback. Condition: New. Language: English . Brand New Book. This metamorphosis, Rubin argues, is going to have a powerful impact on relationships that will ripple throughout our society and our individual lives. A journey into this uncertain future and a glimpse at the cultural implications and promises of a new reality, Future Presence explores a host of complex questions about what makes us human, what connects us, and what is real. Offering a glimpse into the mind-blowing things happening in universities, labs, and tech companies around the world, Rubin leads readers on an entertaining tour of the weirdest, wildest corners of this fascinating new universe. Describing this book as half travelogue and...
