Even worse, they are echoed by the whispers of her own colleagues. Whispers that started after her comatose husband died in the ICU . . . then another mysterious death during her training. When a third happens at her new hospital, the whispers turn into a shout: Mercy killer! Why doesn't she defend herself? What is the dark secret that keeps Elena's lips sealed? Two physicians, widowers themselves, offer support, telling Elena they know what she is going through after the death of her husband. But do they?
