Motivational Press, Inc., United States, 2013. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.A Groovy Peek into Confessions of a Middle-Aged Hippie Should the wild escapades of your twenties and beyond silently recede into decades past? Or would you have the guts to bare it all, with the enthusiasm of a peace-loving, truth-seeking middle-aged hippie? Beverley Golden presents a love-offering of profound lessons from heart-wrenching, humorous encounters in standing up to Gods of conventional medicine while staring death in the eye, raising a child TV star, and pursuing a career in the entertainment industry at all costs always choosing a life colored by love, laughter and hope as the only possible outcome. Blazing trails though the 60s and 70s, right up to today, this candid, conversational memoir affirms the power of intuition and teaches us to never underestimate the role of questioning everything on the path of a true hippie seeker. Be forewarned this book may not be for you: If you ve never faced insurmountable health challenges determined to find another way If you never dated (or married) someone despite obvious omens courtesy of your family, God and/or Mother Nature If you ve never wanted to be on Oprah or dreamed of writing a book in eight days If you once had the chance to divulge your dreams to a rock star about your past-life connection, but failed to take it If you aren t intrigued by horoscopes, Hair or Daryl Hall and John Oates If you think everything you did in Vegas should definitely stay in Vegas Beverley s unconventional memoir will inspire you to live life on your own terms. This book proves it: you are not alone in the universe and we re all hippies...
