THE LAST GENERATION is a well-documented overview and resource manual that shows how current and historical events have unfolded, consistent with biblical prophecy, logically revealing how and why we are in our last days. We are not looking at a day, an hour, or a year, but a generation--the last generation, which began with the birth of Israel in 1948. According to Matthew 24:34, this generation will not pass away until all these things take place. Addressed are the final pieces of the prophetic puzzle that have been falling into place at an unprecedented pace since that time. The depiction of the Doomsday Clock on the front cover with midnight as doomsday represents the consensus of the Bulletin of Atomic Scientists. With a newspaper in one hand and a Bible in the other, it is easy to see God's Word being fulfilled in this generation as current events coincide with prophecies made over 2,500 years ago.
