Reviews

This type of publication is almost everything and helped me looking forward and much more. I am quite late in start reading this one, but better then never. You wont really feel monotony at whenever you want of your own time (that's what catalogs are for relating to if you ask me).

EARLY ITALIAN LITERATURE, VOL. 1 (CLASSIC REPRINT) (PAPERBACK)**DOWNLOAD**

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Early Italian Literature, Vol. 1 This work has been prepared with the definite aim of unfolding the wealth and beauties of pre-dante Italian Literature to University Students and to the cultivated public of the British Isles. I believe that the need of such a book exists, for, since the publication of Rossetti s Extracts from the poets of Dante s circle, nobody in this country has attempted to illustrate the pre-dante Italian Literature. The present work consists of two volumes, one devoted to poetry and the other to prose. In this first volume, due attention has been paid to the origin of the Italian language and to the relations between Italian and Provençal Poetry. Some of the opinions expressed may cause surprise to the orthodox reader, or even meet with his disapproval, but they are sincere, being the result of patient investigation and embodying the practical experience of nearly fourteen years teaching of the subject.
