AUTHORHOUSE, United States, 2008. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Dueling Picket Fences introduces a level-headed woman named Joliana who is thrown into a kaleidoscope of events. She is taken from a mundane moment of preparing breakfast through an obstacle course of upsets including identity theft, kidnapping, bank robbery and murder. All in three days time. But the story is more than that. It is a snarled web created to profile people with dysfunctional behaviors. These individuals surround us--where we live, where we work and where we play. We can choose to ignore them or open our hearts and understand. On the imaginary lane called Windslow Street, nestled in an existing town called Wethersfield, you will meet a tapestry of colorful characters. There is Darcy and Bette who are petty theft operators, and Uncle Hank who is a stubborn old farmer. You will meet Geraldine who is a woman that has not left her house in years and her strange friend Lizzie. Pete, a bank robber and murderer, has escaped from prison and is turning the neighborhood upside down. And of course, in the middle of it all is Joliana. So take a hike down this quaint country lane and see just who is behind those innocent picket fences. Enjoy your walk.
