### **Reviews**

*This publication might be well worth a read, and much better than other. It really is simplified but excitement inside the 50 % of the book. You will not feel monotony at whenever you want of the time (that's what catalogues are for concerning when you check with me).*

Partridge Singapore, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: Arabic,English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The book discusses the present situation of the education in Saudi Arabia and its foreseeable future. It says loudly and clearly that the only way for the Arab countries to develop socially, economically, and culturally is to improve their educational system. There is no other way out. The book discusses the problem of education from the points of why, what, who, and how. It calls for progressive and unconventional solutions for the problem. The message is directed to all those who are concerned with the future of education in the Arabic countries in general and in Saudi Arabia in particular.
