Reviews

This ebook is definitely not straightforward to start on looking at but really enjoyable to learn. It usually will not charge excessive. It is extremely difficult to leave it before concluding, once you begin to read the book.

Atlantic Publishers & Distributors (P) Ltd., 2013. Hardcover. Book Condition: New. The span of this publication covers Y.B. Chavan's stewardship of India's Defence Ministry between November 1962 to November 1966. If the 1962 conflict with China was a debacle, the outcome of the 1965 war with Pakistan was regarded as a victory and resurgence for India's armed forces. The author, the only person alive who had studied Henderson Brooks Report has taken liberty to share some details. He has also reproduced the Diary written by Y.B. Chavan during the 22-day war with Pakistan in September 1965. He has also written about the Peace Conference in Tashkent held in January 1966. Pradhan's first-person narrative is smooth and gentle as it recalls and analyses events as they happened. The replete first hand account of political and military personalities, politics and intrigues around the Prime Minister Pandit Nehru may be of interest to students of military history, officers of armed forces and to younger generation of political leaders who in the near future will shoulder responsibility to govern the nation.
