

## Twelve Great Books That Changed the University (Hardback)

By -

CASCADE BOOKS, 2014. Hardback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Twelve scholars take us on a journey through twelve books that have defined the methodologies and orthodoxies of key disciplines within the university curriculum. These books have not only been formative for their respective disciplines, but have reshaped the university and continue to reframe our understanding of education. Each chapter places a Great Book in its historical context, summarizes the key ideas, and assesses the influence of the text on its discipline and society as a whole. In addition, each contributor offers an evaluation from a Christian perspective, explaining both the benefits of the book and the challenges it presents to a Christian worldview and philosophy of education. Wilkens and Thorsen are to be commended for mobilizing their colleagues at Azusa Pacific University to put together a marvelous introduction to a few great books of the Western canon, especially for undergraduate students. Faculty who teach the liberal arts in Christian colleges and universities will find this a fair, critical, and helpful point of entry for those approaching these important original sources for the first time. --Amos Yong, Regent University, School of Divinity, Virginia Beach,...
