DEEP SLEEPERS: A TOM BLAKE THRILLER (PAPERBACK)

Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Time is running out. A rogue agent is on the run, and a bomb is ticking. If only they knew where to find it. Awesome read full of twists and turns. Once you pick it up you can't put it down. Tom Blake lives among the shadows, a Special Forces veteran whose identity is officially denied. His covert Deep Sleepers programme was supposed to flush out the terrorists. But something's gone badly wrong. An undercover agent is missing, and feared to be behind plans for a devastating bomb attack designed to kill and maim hundreds of people. And so Blake is thrown into a desperate race against time - not only to stop the bombers - but to save his own reputation. Deep Sleepers is a frighteningly plausible and topical, lightning-paced read. If you're a fan of compulsive, gripping thrillers from authors such as Lee Child, Vince Flynn, JB Turner, Stephen Leather, Chris Ryan and Mark Dawson, you won't be disappointed by the Tom Blake thriller series. Blake's first adventure, Deep Sleepers is available as a free download by clicking the orange Buy Now button. **REVIEWS:** This book had me hooked right from the beginning. The best book I've read for some time. This book grabs you by the collar and drags you into a fast paced, exciting world. The action is relentless and keeps you absorbed right to the end. Very hard to put down. The multiple layers of the tale open out like a flower but keep you guessing until almost the end.
