Ice Cave Publishing, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Bestselling series on All Romance eBooks. Hot Hands For weeks, college student Casper has been the victim of sail-by goosing and groping. The problem is that Casper would very much like to get more than groped by those wonderful, big, hot hands. With a journal full of clues, he sets out to discover who his mystery groper is. He may, however, be in serious trouble once he discovers the ominous identity. Cold Hands Hot Hands and Casper have been dating for a month, but their relationship is about as smooth as shattered glass. It doesn't help that Hot Hands is racked with guilt over his high school bullying of Casper, or that Casper darts away whenever his boyfriend gets a little too frisky. Desperate to hang onto Casper, Hot Hands tries to earn back the trust he destroyed years ago, so they can face their disastrous past and have a chance for a happy future. The Walls Have Ears Short and scrawny college student Harley Santos has a strange relationship with the guy on the other side of his bedroom wall. For weeks, the two have been masturbating to each other's voices, but they have never met in person. When Harley's roommate, Ryan, is asked out on a date by one of his neighbors, Harley is devastated that his wall-mate mistook not-hot Harley for super-hot Ryan. Helping Harley through his heartache is Tasha Novokov, the other neighbor, who is tall, dark, and impossibly handsome.
