Taylor Francis Inc, United States, 2010. CD-Audio. Book Condition: New. 226 x 170 mm. Language: English . Brand New. Musical Children: Engaging Children in Musical Experiences by Carolyn Lindeman is the only text that focuses on the teaching of preschool and kindergarten students and the important role music plays in a their educations and lives. Music educators are increasingly recognizing the importance of teaching musical skills as early as the preschool years. This book presents the latest research emphasizing real life applications so that teachers can achieve their goal of creating more musically creative children. The book presents 25 strategies for engaging children who are learning music based on the latest Music Educators National Conference (MENC) standards. It includes reproducible student activity charts, a song selection of 40 notated melodies, a collection of chants, and resource materials for any new teacher to reference. Musical Children is not only an excellent text in any Music Education classroom, but an excellent resource for any preschool or kindergarten teacher. Written by a leading authority on early childhood music education, the text will be used in courses on Elementary Methods and Fundamentals of Music Education. Audio-CD not for sale. Available for instructors upon request from Sales office.
