Sharon Irish. Paperback. Condition: New. 76 pages. Dimensions: 8.0in. x 5.0in. x 0.2in. Hilarious moments from labour, birth and beyond - a collection of true stories and quotes from Parents and other family members or friends who have babies, focusing on: Labour and Birth Doctors appointments and check-ups Feeding Nappy changing, poo and sick Siblings and other children First Words Other incidents My first book, Laugh Out Loud! This book proves it by sharing experiences and funny moments from Parents, family members and friends who are present during labour and after the baby makes an appearance. You may not think that being in labour can have a funny side, but when you add pain relief into the mix we Ladies can say and do some very strange things when we are under the influence which can be hilarious for the other people present! When we bring the baby home it can be a completely new experience, we learn along the way how to deal with our new addition usually by our mistakes, especially when we are sleep deprived, the brain just cant cope sometimes and we get ourselves into some situations which others find hilarious, even if we dont!
