House Cleaning: (FREE Bonus Included) 30 Everyday Chemical-Free Organic Cleaning Products You Can Make Yourself As we learn more about what chemicals are going into the products that we use each day, more and more people are turning to organic, chemical-free, homemade products. This book is going to help you do just that. Did you know that the chemicals that touch your skin are absorbed through your skin? That means that all of the chemicals you are using to clean your house are potentially being absorbed into your body and they could be making you and your family sick. By the time you finish reading this book, you will: Understand how to take care of all of your laundry needs without using any chemicals, but by creating your own chemical free, organic, and homemade laundry products. Know how to create cleaning products that are going to get your entire house cleaner than any chemical laden product on the market today. Finally know that you are doing what is best for your family, by understanding how to provide them with a safe and chemical free environment.
