James Herbert - the Authorised True Story

By Craig Cabell, James Cabell

John Blake Publishing Ltd. Paperback. Book Condition: new. BRAND NEW, James Herbert - the Authorised True Story, Craig Cabell, James Cabell, For almost 40 years, Herbert was Britain's most popular horror author. With sales of over 50 million copies, he carved a niche in quality bestselling fiction all of his own. Craig Cabell's exploration into the dark, sinister world of James Herbert is given incredible depth thanks to a series of over a dozen exclusive candid interviews. Drawing striking parallels between Herbert's career and the events of his life, this work sheds light on the personal demons which drove the boy from London's East End to become the pre-eminent horror writer of his generation. Reviews

It is one of my personal favorite publications. Indeed, it is actually perfect, still an amazing and interesting literature. It has been printed in an exceptionally easy way which is merely soon after I finished reading this book where it really altered me, changing the way I believe.

The best publication I actually study. I actually have studied and so I am confident that I am going to likely study once more yet again later on. You will not sense monotony at any moment of your respective time (that's what catalogs are for relating to if you ask me).
