A romantic hero straight from a fairytale, with a grand country estate and a family tree to match. They've been together four years now and Laura knows that what really matters is the two of them, not everything else around them. She can't imagine ever loving anyone the way she loves Nick. Now, though, people are openly asking when they'll hear wedding bells, and Nick is keeping secrets from Laura. She's starting to feel she might not be good enough for his family. Can an ordinary girl like Laura make it work with one of the most eligible men in the country?.
